

PRAYING FOR MY CHILDREN

We as parents provide for every need of our children, sometimes we forget that our first priority and our children's greatest need is for us to pray for them. We need God to help raise our children. The above scriptures show that we are in a war against the devil for our children. Satan is out to destroy our children, and there has never been a stronger attack from Satan than against our generation. Satan is out to destroy your child, to make dirt out of his or her life! If you knew that someone was out to hurt your child, wouldn't you do everything possible to protect him? The Bible says that we are in spiritual warfare.
